Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

A Notice of Allowability was mailed in this case on May 4, 2010. Claims 15-22, 24-30, and 32-40 were allowed.

In the Notice of Allowability, the Examiner commented on the IDS submitted on April 27, 2010 by the applicants. In this IDS, a search report for British application GB0420187.7 was cited. The references mentioned in that report were also cited in the IDS. The Examiner stated that the Applicants' IDS was in compliance with 37 CFR 1.97 and was considered by the Examiner.

However, the Examiner stated that "there is no statement [in the IDS] indicating the relationship of GB0420187.7 to the present application." Further, "applicants have not supplied a copy of the British application [with the IDS]."
